

I am very concerned to here that you may be going to give priority to LPFM which means I would loss my K-LOVE station. K-LOVE is an important part of my Christian life I listen to it more than any other station. It keeps me informed on issues I care about and allows me a family friendly station to enjoy music without worrying about what may be said. without K-LOVE the christian commuity would not have any stations to listen to which share it's common values and love of God. I wish to as strongly as possible state how much we would lose if K-LOVE went off the air, I do not think this is in the best interest of the public to lose a family friendly station which promotes positive values.
